

## **LEARNING OBJECTIVES**

**A specific learning objective states that what the learner will be able to DO as a result of learning; that is, it states a PERFORMANCE.**

e.g. By the end of the session the learner will be able to write an order for spare parts.

He/she **does something** (PERFORMS) that can be observed by the trainer.

=====

## **EXERCISE**

Are the following statements **specific learning objectives?** i.e. do they tell you what the learner will be able to DO as a result of the learning?

By the end of the session,  
the learner will be able to:

Is a performance  
stated?

- |                                                    |       |
|----------------------------------------------------|-------|
| 1. To draw a triangle                              | _____ |
| 2. To list five uses for copper                    | _____ |
