UNIVERSITY OF OREGON

Last updated 4th January 2019

Introduction

- This section is for you, the participant!
- The Goals:
 - Participants volunteer to present about their campus network
 - Describe current situation, and how this workshop will help make improvements in the design, operations, and maintenance of the campus network
- Outcome:
 - Learning experience and improved campus network
 - Learning experience for other participants in the workshop

How to prepare

- At the start of the workshop, the instructors will have asked you to prepare a short presentation about your campus:
 - Include a network diagram (as much detail as possible)
 - Describe some of the existing challenges
 - Describe how this workshop will help make improvements
 - Design
 - Implementation
 - Procurements
 - Operations
 - Monitoring and Management
 - Presentation should last no more than 10 minutes, plus time for Q&A
